

Exhibition and Work

Newbury Racecourse, Newbury

16 and 17 May, 2023

Deadline Date: 3 January, 2023

We Need Your Content!

We have added some additional functionality to the website, www.emcandci.com, which will allow you to promote your attendance more easily and provide more online content to allow potential attendees to see what products and services you intend to promote.

We have made the floorplan interactive which allows visitors to the website to easily navigate the exhibition hall and determine what interests them most. Please see it [here](#).

Each of the booked stands allows the user to click through to the Exhibitors own page, where specific content can be uploaded. You can now upload the following:-

- Links to 3 items of video content
- 10 images of 72 DPI
- 5 pdf documents
- LinkedIn, Facebook, Twitter and Instagram links

In addition we are working with technical PR agency Stone Junction, who is providing assistance in the show's organization and distributing news stories on behalf of us and our exhibitors. You can [find out more about Stone Junction here](#).

In order us to upload the information we ask that fill in this form and email it along with any content to georgiana@stonejunction.co.uk and patrick@stonejunction.co.uk.
